

# INVENTORY OF EDUCATION AND SUPPORT PROGRAMS FOR MANITOBA ADOLESCENTS AND YOUNG ADULTS

This inventory is a Manitoba-wide resource which provides general information about education and support programs for pregnant or parenting young adults and their children. This list includes high schools in Manitoba that offer parenting support and/or child care services, and community based programs that provide school credits and parenting support. The inventory is organized alphabetically by school division, and is divided into two categories; Winnipeg Schools and Programs and Rural/Northern Manitoba Schools and Programs. Further questions about any of the programs/schools listed below should be directed to the program/school.
